about

Justin Massey joined the 1847Financial Private Client Group in March 2022. Prior to joining the firm, he started his career in the financial industry directly out of school, spending four years as a Financial Professional with Northwestern Mutual in Boca Raton. Justin has built his practice working with young professionals, families, and business owners to assist in creating holistic financial plans utilizing advanced life insurance strategies.

Justin is originally from Cooper City, Florida, where he was born and raised, prior to moving up to Boca Raton to attend Florida Atlantic University. FAU is where he graduated with a Bachelors in Business Management. Justin also served as a four-year Division I collegiate basketball player for the Owls.

In his personal life, Justin still actively plays the sports he loves for both leisure and competition. With a strong passion for game, he also coaches in his free time which allows him to teach the game to the younger generation. Justin also enjoys the short drive down to Broward county to spend time with mom and dad, Vanessa and Rick, and twin brother, Jason. Justin resides in Boca Raton with his fiancé, Liz.
