## Adam T. Sherman, CFP®, ChFC®, CLU®, MSFS FOUNDING PARTNER

AN ACCOMPLISHED INDUSTRY LEADER DEDICATED TO  
BUILDING AND PROTECTING CLIENT ASSETS

Adam Sherman has built his career on his expertise in all aspects of wealth management, with a focus on estate planning strategies and asset management. He joined 1847Financial in 2016 as Senior Partner, bringing over 30 years of experience working with closely held family businesses, executives and families of significant wealth. His alignment with 1847Financial further strengthened the firms' commitment to become an eminent financial services firm within the high net worth marketplace.

Prior to joining 1847Financial, Adam was co-founder and CEO (2006 – 2016) of Firsttrust Financial Resources (FFR) in Philadelphia, PA, and also served as president of Firsttrust Financial Advisors (FFA), the firm's Registered Investment Advisor (RIA). As a founder of Progress Financial Resources (PFR), FFR's predecessor, he is recognized as an innovator of the integration of banking and wealth management throughout the country. Preceding he and his partner's re-acquiring PFR from Bank of America, PFR was one of the first companies to recognize how to capture synergies with banks, post Gramm-Leach-Bliley.

Adam is actively involved in the community, where he lends support in many ways. He is currently a board member of the Kaiserman JCC after serving as Board President from 2004-2006. He also serves as board member of Philadelphia Youth Basketball (PYB) and is currently a director of PVJSA which is the largest youth sports organization in Lower Merion.

Adam and his wife, Michele, reside in Penn Valley, PA, and Boca Raton, FL with their three children.
